Carl Moyer Grants Program

Owners and operators of agricultural equipment, ships, locomotives, on-road vehicles, off-road equipment, and airport ground support equipment are eligible for a percentage of the total costs to:

- Replace old diesel engines with cleaner engines in existing equipment
- Retrofit existing diesel engines with emission control devices
- Purchase new vehicles or equipment with emissions that meet or exceed state and federal standards

Funding is awarded to eligible projects on a first-come, first-served basis. Highest priority is given to impacted communities including Richmond/San Pablo.

**Attend this free workshop to find out more about these
programs and get one-on-one support on your application.**

A light dinner will be provided!

Contact sanderson@communityfocus.org 510-763-2500 ext. 1 to register.
