

GRAND OPENING NEVIN PARK & COMMUNITY CENTER

Richmond Community Redevelopment Agency, and
The City of Richmond Parks & Recreation Department

Announce the
GRAND OPENING
NEVIN PARK & COMMUNITY CENTER

Saturday, January 31, 2009 11 A.M. until 4 P.M.

Entertainment, Activities & Refreshments

Nevin Park has been redesigned and remodeled based on community input and the active participation of the Iron Triangle Neighborhood Council. The result is a modern, beautifully landscaped park with picnic & game tables, benches, lighting, water play elements, shade areas and a state-of-the-art play lot which includes many interactive and educational elements.

Special appreciation goes to WRT Planning & Design, LLC and Bay Cities Paving & Grading, Inc. for their expertise working with community concerns to create the newly designed Nevin Park for all of Richmond to admire and enjoy for years to come.

Project funded by the Richmond Community Redevelopment Agency.

For further information, contact Jacqueline McBride at (510) 307-8150.
