

THE RENAISSANCE OF DOWNTOWN RICHMOND IS UNDERWAY!

Exciting developments are happening in downtown Richmond. Streetscape improvements are bringing to Macdonald Avenue new street surfaces, more parking, upgraded street fixtures, widened sidewalks and attractive landscaping. The new Richmond mixed-use transit center will soon be joined by a revitalized Nevin Park a few blocks away, and facade improvements along the Avenue. A new regional shopping center, anchored by Target, is coming to Macdonald's east end.

While all this work takes place, downtown Richmond businesses are open to serve you. Come down, stop, shop, eat, and watch the renaissance!
